

# The Commands of Jesus

## The Story of the Commands of Jesus Study

In a quest to find a small group Bible Study for committed Followers of Jesus who want to mature in their faith a search was made of existing studies.

Many of the existing small group studies were primarily evangelistic or targeted a specific topic or Book of the Bible. The scripture that inspired this particular study was *Matthew 28:18-20. Go into all the world - Make Disciples, - Baptize them - Teach them to Observe all that I commanded.*

A search was made for a study of the Commands of Jesus. A few were found but nothing that provided for an in-depth discussion of His commands in a small group setting. So a team of four businessmen met together weekly for 6 months to develop a curriculum. The team involved the president of a construction company, the partner in a real estate investment and management firm, the president of a global ministry, and a retired airline pilot and business owner.

The guidelines for the curriculum were to use the imperative verbs that Jesus spoke as the scripture references and to develop soul-searching, personal questions for the participants to examine their walk of Faith. All doctrine, beliefs and practices were avoided so as to make the content acceptable to all Believers.

The 11 lesson study of The Commands of Jesus was then tested in a small group Businessmen's Bible Study. It proved to be useful as the men were consistently engaged in the discussions of the scriptures and the personal questions. It was apparent that they grew in their faith during the months of meeting together over the study.

We offer the curriculum as a gift to all of God's people. It was given to us by the Holy Spirit for the purpose of making obedient Disciples of Jesus. The curriculum is presented in Word document form so that anyone may change it to fit their particular group's needs. All the information is available on the web.

## PREFACE

---

Jesus's final command is known as the *Great Commission*. He said in *Matthew 28:19-20*: *Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to OBSERVE ALL THINGS THAT I HAVE COMMANDED YOU.*

A team of four men accepted Jesus's command and developed this study as a tool to help make disciples and to teach them to observe all that He commanded. The eleven lessons were carefully and prayerfully discussed, and represent what the team believes are helpful scriptures and soul-searching questions for making obedient disciples of Jesus.

### DEVELOPMENT TEAM GUIDELINES

Vision To become a participant in making obedient disciples of Jesus Christ.

Mission To produce a life-transforming Bible study of the Commands of Jesus so that His followers become consistent DOERS of the Word and FRUITFUL sons and daughters of God's Kingdom. To design a curriculum primarily for Believers who want to grow in their faith.

Goals To encourage God's people:

- By studying His Word
- By considering their walk of faith and commitment
- By learning to hear the voice of the Holy Spirit
- By acting on His commands as His Spirit prompts

Plan To develop a Commands curriculum of 9-12 lessons, one-and-a-half hours each, to be used by small groups.

- By focusing on selected key commands of the 382 spoken by Jesus which were in the imperative tense in the original Greek.
- By asking soul-searching questions to prompt participants to consider their attitudes and willingness to practice obeying Jesus's commands and how they apply them to their lives.

This study is offered in Word Document form so that anyone desiring to use it may easily produce a small group curriculum. The development team has sought to avoid specific doctrines, beliefs or practices. Simple, foundational, Biblical principles are offered as leads into the scriptures. Anyone using this study is free to include the beliefs and practices they desire to stress with their participants.

## Lesson 1: How can I ?

---

*Go . . . make disciples . . . teach them to observe all that I commanded you.*

***Matt. 28:18-20***

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- 1) There is a biblical way to become Jesus' follower. Receive Him as the Lord (in charge) of your life and trust Him. Faith in His name has power to save you. This requires repenting of your own ways and being spiritually reborn as God's child.

***John 1:9-13; John 3:3; John 10:7-10; Mark 1:14-17***

- a) Summarize these Scriptures in one sentence.
  - b) Record the circumstances of when you gave your life to Jesus' lordship.
- 
- 2) Only committed disciples of Jesus who hear and understand His words are motivated to obey His commands. A disciple is one who commits to follow another's teaching and imitates it.

***Matthew 13:10-23; John 7:15-18***

- a) In these levels of commitment which describes me best?
- b) How do I personally know that I am His disciple?

# OBSERVE the COMMANDS of JESUS

## Lesson 1: How can I ?

---

- c) When I study the Bible, do I often believe God is speaking to me personally?
  - d) Am I willing to study the commands and practice them?
- 3) In our own understanding, we cannot fully accept the commands as they apply to us. It is only by the Holy Spirit's revelation that they become directive for our lives.

*John 14:16-17; John 16:12-15*

- a) Summarize the Holy Spirit's part in my spiritual life in one sentence.
  - b) List some times I was directed to do or not do something by the Holy Spirit's revelation.
  - c) List some times when I obeyed and things went well.
  - d) List some times when I didn't obey and wished that I had.
- 4) To observe Jesus' commands is not to make a "to do" list. Some of His commands are not possible for us, as broken humans, to keep in our own strength. That is why we are given the power of the Holy Spirit.

*Acts 1:4-9*

## Lesson 1: How can I ?

---

a) In one sentence describe the power you receive when the Holy Spirit comes upon you.

b) What were some situations when I saw His supernatural hand in action?

c) Are there situations in my life now that I'm hesitant to entrust to the Lord and/or to act on?

5) Jesus said the first and foremost commandment is to love God with all our heart, soul and mind. Therefore, this should be first and foremost for us. One of the ways we show our love for Him is by our obedience. Another way is to worship Him. Love can only be shown by action.

***Matthew 22:35-38; John 14:21-23; John 4:23-24***

a) In what ways do I show my love for God in "spirit and truth"?

b) In what ways do I show my love and gratitude for the mercy and grace I receive from Jesus?

c) In what ways do I show my appreciation for the presence and help of the Holy Spirit?

## Lesson 2: Follow Me

---

Jesus said, "Follow Me" 37 times! We follow Jesus because He is the only way to find reconciliation with the true God, the Creator of the world.

***John 10:7-18, Matthew 7:13-14***

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- 1) In our pluralistic culture, it is a common belief that there are many ways to God; some even believe there are many gods.

***John 14:6; 1 Corinthians 8:4-6***

- a) How confident am I that Jesus is the only way?
  
  - b) When there is an opportunity to share my faith in Jesus, what do I normally do?

***Luke 9:23-25; 57-62, Matthew 5:11-12; 10:37-39***

- a) Which promises are most appealing to me?
- b) What would an abundant life look like to me?
- c) What would having the Light of life do for me?
- d) What burdens would I like to have off of my back?
- e) Heaven seems too far away to get excited about. Should heaven be what motivates me now?

Lesson 3: Believe in the Word—Living and Written

---

In the beginning was the Word, and the Word was with God.  
Coming into the world, He enlightens every man.  
As many as received Him, to them He gave the right  
to become the children of God,  
even to those who believe in His name.

***John 1:1-13***

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- 1) We believe in Jesus because He clearly demonstrated that He is Lord. Everything about the Christian faith is in Him, through Him, and for Him. It is not about religious doctrine & practices. To believe in Jesus is more than acknowledging that He is who the Bible says He is. A true believer relies on, adheres to, and trusts in Jesus as His Lord and Master. Derivatives of the Greek word, "believe," are used 590 times in the New Testament.

***John 3:16; 5:24; 6:35-40; 11:25-27***

- a) Summarize these Scriptures in one sentence.
- b) Why is my salvation not dependent on the strength of my belief in Jesus?
- 2) A Disciple must know Jesus experientially by intentionally developing an active, personal relationship with Him. By learning about what Jesus said and did, we know what God the Father is like and what He expects of us.

## Lesson 4: Love and Forgive

---

The first 3 lessons discussed our laying a foundation in Jesus, the Author and Perfecter of our faith. Now we will address His commands concerning the essential spiritual disciplines necessary in order to obey His commands. They combine our human efforts with the Holy Spirit's empowerment to help us be obedient Disciples.

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- 1) Jesus says the second greatest commandment is to love your neighbor as yourself. He also said to love our enemies and those who persecute us. The Greek word for God's love, *agape* (*ah-ga-pay*) is used 226 times in the New Testament. Agape love is not an emotion; it is a fruit of the Holy Spirit demonstrated by our attitudes and actions.

***Mark 12:28-31, John 13:34-35, 15:9-17***

***Matthew 5:43-48, 1 Corinthians 13:4-7***

- a) Why is this commandment the second greatest before all the other commands of Jesus?
- b) Compare and contrast these verses describing "love" with how the word "love" is commonly used in our culture.
- c) Loving myself sounds selfish. So, then, how do I love myself correctly?
- d) I love some people, but what attitudes and opinions need transformation - so I can show agape love to everyone?

# OBSERVE the COMMANDS of JESUS

## Lesson 4: Love and Forgive

---

- e) If agape love were a feeling, then I couldn't be commanded to do it. If it is my choice, then how can I develop the discipline to choose to love, regardless?
  
- 2) If there is anything or anyone I desire, need or pursue more than Jesus, then that is my god. I have allowed it to become my idol.

***Matthew 10:37-39, John 12:24-26, Luke 16:13,***

- a) These verses are difficult. What do they say to me?
  
  - b) List the people and things in my life that are really important to me.
  
  - c) How do these people and things influence my relationship with Jesus.
  
  - d) How do all the good things in my life compete with Jesus for my heart?
- 
- 3) We are commanded to forgive. Like love, we choose to forgive as a decision of obedience. God has mercifully forgiven our sins through the sacrifice of Jesus when we didn't deserve it. Therefore, our unforgiveness has serious personal consequences.

***Matthew 6:14-15, 18:21-35***

- a) Do these Scriptures give me the liberty to not forgive someone who has wronged me?
  
- b) Who benefits when I forgive someone who doesn't deserve to be forgiven?
  
- c) Why do I feel guilty about things I've done if Jesus has forgiven me?

## Lesson 5: Worship, Pray and Fast

---

A disciplined life of worship, prayer and fasting draws us closer to God. The Lord's will and His purpose for us is often revealed when we pray and fast. These are activities which open us up to the Holy Spirit. Our prayers build our faith and trust and fortify our hope for the future. Through fasting and prayer God proves His faithfulness to His promises.

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- 1) We worship God only. Worship may be understood as an active acknowledgement of God's nature, attributes, and ways by our praise, thanksgiving and deeds done in His Spirit.

***John 4:23-24, Matthew 4:8-11, Luke 22:19-20, Psalm 95:1-8***

- a) Describe worship as it is presented in these verses.
  
  
  
  
  
  
  
  
  
  
  - b) How can I go about my daily activities so as to be a pleasure to the Lord?
- 
- 
- 
- 
- 
- 
- 
- 
- 
- 
- 2) Prayer is personal dialogue with God. It is simultaneously a conversation of intimate friends and a cry of dependence on Him who is greater- to do what we cannot. Pray for persons and situations that need His intervention and help. Pray the scripture: it is a very powerful means of declaring His truth and His will. Spiritual authority comes through the Word; both the Living Word, Jesus, and the written Word, the Bible. As we quietly listen to His Word, we are inviting His Holy Spirit to guide, teach, encourage, comfort, and correct us. To receive this, we must set aside focused time to read and pray as the Holy Spirit prompts us. In this quiet time we can hear His responses.

## Lesson 7: The Universal Commands

---

The commands of Jesus are universal and apply to all His Followers. His atoning grace has set us free from many of the Jewish ceremonial laws found in the Old Testament. However, Jesus said that He didn't come to abolish the Law, but to fulfill it. Jesus had a high view of His Father's moral commands, and He paid the price to set us free from the penalty of having broken them in the past. Now, His life and words affirm that as His Disciples, we do have commands to observe.

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- 1) The Ten Commandments came directly from God to Moses and were often quoted by Jesus. The issues they address are foundational to our faith.

### ***Deuteronomy 5:1-22***

- a) Which of the Ten Commandments is a struggle for me to observe?
  - b) Describe how you feel about a statement where God says "Do not"--even though He is really saying, "Do not hurt yourself!"
  - c) As I consider God's rules for living, do I feel they are helpful toward an abundant life for me, or that they limit my freedom?

- 3) Since we are made in the image of a lavishly generous God, we are called to be generous. Money and possessions are usually the major competition for Lordship in our lives to Jesus.

### Lesson 8: God's Purpose for Us

---

If we have sincerely surrendered our lives to Jesus, in Spirit and in truth, we are choosing to live under His Lordship. We are called to pursue His purpose for our lives. As we mature in our walk with Jesus, He will reveal His purpose for choosing us.

***Ephesians 2:8-10***

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- 1) Each one of us is given gifts, talents and resources with which we are to accomplish God's specific purpose for our life. Our primary purpose is to love, know and serve God. We are dependent upon the Holy Spirit, as the presence of the Lord Jesus in us, to teach us His ways and His Word. We must learn to recognize His voice so that He can guide us daily and effectively. Everything we do for God must flow out of this relationship for it to have eternal significance.

- a) Summarize what these verses say to me.

- a) Am I truly involved in Kingdom work to any extent at all, or just busy?
  
- b) What is my calling now, at this time, in the different areas of my life?  
Prayerfully consider this important question, write it down, and answer below.
  - i) In my family
  
  - ii) In my workplace
  
  - iii) In my church
  
  - iv) In my community

### Lesson 9: Go - Witness - Serve

---

Many of the Commands of Jesus tell us to "Go - witness - and serve".

Read the introduction to the subject and the scriptures. Consider the primary emphasis as it relates to this lesson and the context in which it is presented. Then, answer the questions.

- 1) The authority and power of the Holy Spirit resides in us to transform us and empower us to share our faith. We are called and commanded to take the Good News that God, through Jesus Christ, is reconciling a lost and hopeless world to Himself.

***Acts 1:4-9, Matthew 24:14, 28:18-20,  
Mark 16:14-20, 2 Corinthians 5:14-20***

- a) Describe the emotions these scriptures produce in me.
  
  
  
  
  
  
  
  
  
  
- 2) Many have heard the Gospel but do not understand or believe this great news. Many have not accepted God's offer of reconciliation by committing their lives to the Lordship of Jesus. We may be sent at some point to the remotest parts of the world, but our "Jerusalem" is our family, our neighborhood, and the people we see daily.

***John 3:1-8, Mark 5:18-20, Luke 12:8-9***

- a) Why do I find it difficult to share the Good News with those closest to me?
  
  
  
  
  
  
  
  
  
  
- 3) We are called to share the reason for the Hope that is in us in a gentle and loving way - and leave the results to the Lord. The story of our walk with Jesus is a powerful witness, even though we will encounter varied receptions to our testimony.

## Lesson 10: The World, the Flesh, and the Devil

---

In *John 16:33 and 17:9-16*, Jesus warns His Followers of tribulation in the world. He asks His Father to keep us in His name. The **world** we live in surrounds us with ungodly beliefs and temptations. Our **Old Nature** is susceptible to be influenced by these factors. **Satan** and his host of demons are always trying to block us from knowing and serving God.

Read the introduction to the subject and the scriptures. Consider the primary emphasis as it relates to this lesson and the context in which it is presented. Then, answer the questions.

- 1) The **world** hates Jesus. The media, secular culture and much false teaching support and encourage unbelief and disobedience.

*John 15:18-23, Mark 7:6-8, 2 Timothy 4:1-5, 1 John 5:19*

- a) What is God protecting me from?
  - b) What is God preparing me for?
  - c) How does this specifically apply to my life?
- 2) Our **Old Nature** should not dominate our thoughts and our behavior after we are given a New Nature by the Holy Spirit residing in us.

*John 14:16-17, Colossians 3:1-17, Galatians 5:16-26*

- a) What is different in my life than it was earlier?

Lesson 10: The World, the Flesh, and the Devil

- b) What would I most like to have changed now?
- 3) Consider the warnings below. Confess and turn away from the sins of your flesh, which is your **Old Nature**. Yield to the transforming work of the Holy Spirit to change you.

How can I cooperate with the Holy Spirit in changing my behavior in the areas below? I need to take time and focus on 2 or 3 that are most pressing.

- a) Selfishness - *Philippians 2:1-5*
- b) My thought life - *2 Corinthians 10:3-6, Philippians 4:4-9*
- c) My mouth - *Matthew 12:31-37, 15:10-11, v15-20, Ephesians 4:29-32*
- d) My eyes and ears - *Luke 11:34-36, Matthew 5:27-29, Mark 4:22-25*
- e) My greed - *Luke 12:13-21, Matthew 19:21-26*

- g) My fears and anxieties -  
*Matthew 6:24-34, Luke 12:4-7, v32-34, John 14:23-27*
- 4) In the New Testament; **Satan** is named 35 times, the **devil** 34 times, and **demons** 62 times. The mission of evil spirits is to kill, steal, destroy and lie. Demons seduce people in order to turn them away from God's truth and His way of living and entice them to engage in idolatry and destructive activities.  
*John 8:39-47, 10:7-10, 2 Corinthians 11:12-15*
- a) What do I believe about the reality and presence of evil spirits?
- 5) Disciples of Jesus have authority over evil spirits.

**Lesson 11: End of The Age, Judgment and Heaven**

---

- 1) The Bible has a lot to say about the end of this age and the return of Jesus. There are 318 references in the New Testament using a term such as - "The End Times - The End of The Age - The Last Days - The Tribulation - The Day of the Lord - etc.". No man knows the day or hour but we can read the signs of the times. The conditions in the world currently certainly read like the conditions which will exist in the last days.

***Matthew Chapter 24, 2 Timothy 3:1-5***

Read the introduction to the subject and the scriptures. Consider the primary emphasis and the context in which it is presented. Then, answer the questions.

- a) What is God protecting me from?
- b) What is God preparing me for?
- c) How does this specifically apply to my life?
- 2) Disciples of Jesus will give an account to Him of how they used the time, talents, and resources He entrusted to us. Unbelievers will appear before the Judgment seat of God. Those who have committed their lives to Christ will spend eternity in heaven with Him. Those who choose not to accept God's offer of reconciliation will spend eternity away from His presence. Notice there is always an offer of mercy linked with the warning of judgment.
